*“Lord, your love has poured out so many amazing blessings on our land! You’ve restored Jacob’s destiny from captivity. You’ve forgiven our many sins and covered every one of them in your love. Pause in his presence So now it’s obvious that your blazing anger has ended and the furious fire of wrath has been extinguished by your mercy. So bring us back to loving you, God our Savior. Restore our hearts so that we’ll never again feel your anger rise against us.”*
